

Welcome to MSU-Northern

Extended University

Montana State University-Northern Courses on CD Things you need to know and do to get started:

1. You need to know what courses are being offered via CD.

You can find the courses offered via computer-based in the MSU-Northern course schedule. Courses on CD will be listed as “Computer Based” under mode of delivery method. These courses can be accessed by following the “Get Course Schedule” link on our Courses on CD page or at <http://www.msun.edu/stuaffairs/registrar/registra.htm>.

2. You need to know the minimum technology requirements needed to complete these courses.

All MSU—Northern courses on CD are available for both Macintosh or Windows platforms. Instructional method will be computer-based training completed on either of the following:

MACINTOSH OPERATING SYSTEMS

Mac OS 9.2 or OS10, 256 MB of RAM and 5MB of free hard disk space, 15” or larger color monitor with a minimum resolution of 800x600 px, CD driver 4x minimum speed and a printer connected to your computer.

WINDOWS OPERATING SYSTEMS

Windows 2000 or newer, 256 MB of RAM and 5MB of free hard disk space; 15” or larger color monitor with a minimum resolution

of 800x600 px, CD driver 4x minimum speed and a printer connected to your computer.

3. You must register for the course with Montana State University-Northern.

Information on registering for a course can be obtained at <http://www.msun.edu/stuaffairs/registrar/registra.htm>. You can also call our toll free number (1-800-662-6132 Ext. 3703) and ask for the Registrar’s Office. The instructional software package for the computer-based course you have enrolled in will be mailed directly to your home address. Look for this to arrive approximately at the beginning date of the semester. All of the information you need to complete the course will be included in this packet.

4. You need a contact person to get in touch with if you have any questions regarding computer-based courses.

Please contact Sandy Jappe in the Extended University Office at 1-800-662-6132 ext. 3730 or email sjappe@msun.edu.

***Please remember when registering for computer-based courses, an additional cost of \$110/course is charged for computer software/instruction package **PLUS** the semester tuition fee to take the course.
