

# Computer-Based Courses

Montana State University-Northern has partnered with Virtual Education Software, inc. to offer continuing education courses for K-12 educators online that are convenient, relevant, and affordable. These interactive courses are designed to be run online from a reliable, stable, *unlimited* high-speed internet connection to provide expert instruction at a pace that fits your schedule. VESi courses are now tablet compatible, making it easy for you to recertify anytime, anywhere with reliable, stable online access.

Registration for all computer-based courses must be completed before June 12. Students will receive an email from VESi 2-3 days prior to the start date of their course containing a course link and information to begin the course. Total cost per course is \$285. For further information regarding computer-based courses, please go to <http://msun.edu/distance/cb.html> or call 1-800-662-6132 Ext. 3730.

**PLEASE NOTE:** When registering for these courses, please complete the application for continuing education credit for computer-based courses on the following page. Select either undergraduate credit (1391) or graduate credit (1591). Please include payment with the application form and mail to MSUN Extended University or fax the form to (406) 265-3570.
