

Summer 2017 Course Offerings

MSU-Northern offers courses online and courses in Havre, Great Falls, and Lewistown. It is strongly recommended that you check the Banner Web Class Schedule for course updates to the summer catalog by going to www.msun.edu and selecting *Banner Web - MyInfo* from the Navigate Northern menu. Pre-registration for summer courses begins March 20th. Please note any additional course fees are listed after the course titles.

Online courses are delivered using Desire2Learn and a D2L account will be established for you when your registration is processed. Although you won't be able to log into your course until seven days prior to the start date of your course, it is critical that you access your D2L account for course-related materials before the first day of class. For further information regarding online courses, please go to www.msun.edu/distance.
