### OPI Pre-visit

## Recycled Can Sculpture Contest

The campus SIFE club is sponsoring a used can sculpture contest. The rules are simple: collect as many used pop and beer cans as you can and turn them into a sculpture without using any materials that will make the cans unable to be recycled. Teams need to register by 12 p.m. Wednesday March 4th by calling Cori 871-1733 or Albert at 808-4902 (leave a voice mail). Finished sculptures need to be at the lower parking lot by the SUB entrance before 5:30 p.m. on Thursday March 5th. The winners will receive Pizza Hut gift cards for: first = \$100, second = \$75, and third = \$50.

## Northern Basketball Teams Host Playoffs

Both our men's and women's Basketball teams **WILL BE HOSTING PLAYOFF GAMES** next Wednesday and Thursday (women on Wednesday at 7:00; men on Thursday at 7:00). After they win those games, they have a great shot of hosting second round games on Friday and Saturday (same times).

This playoff format of higher seeds hosting lower seeds was re-instituted by AD's and President's last spring. This is a great opportunity for the fans of Northern and Havre to pack the gym in support of our teams. This is a **FRONTIER CONFERENCE EVENT**; therefore, there are some stipulations involving ticket sales:

No season tickets, or passes, are honored. Season ticket holders can purchase tickets early on Monday March 2nd, or Tuesday, March 3rd, in our office, in order to guarantee they have their seat(s). Otherwise, all adult tickets, including senior citizens, are general admission (\$7.00). Student tickets, including MSUN students, are \$5.00 each. I will work on securing a sponsor for student tickets in order to help as many as possible get in the game free of charge.

## Man Talks to Crowd about His Cancer Loss

Rick Bender showed up at Northern Tuesday April 24th to talk to a good sized crowd about his past addiction to chewing tobacco or what he liked to call "spit tobacco." Bender lost part of his tongue and jaw along with important nerves that operate his right arm to oral cancer caused by "spit tobacco." Bender after already giving three presentations earlier that day, then talked to his crowd about his life with tobacco and the damages it did to him. Also Bender talked mainly about the side effects of tobacco and informed his crowd on all the effects of cancer. Twelve percent of Montana men use spit tobacco, a rate that is twice the national average. What is more alarming is that 22 percent of Montana senior high school boys are regular spit tobacco users. Those who use spit tobacco are 50 times more likely to develop oral cancer than those who do not. Bender has been traveling all across America telling his story; his next stop is Florida where he hopes to find warmer weather.

## Musical Comedian Appearing at Northern

Sponsored by the Associated Students of MSU-Northern Program Council, Musical Comedian Johnny Cardinale will be performing Thursday, March 5th at 9 p.m. in the SUB Ballroom. (Note, the time has been changed from 8 to 9 p.m. so people can go to the Basketball game) Johnny Cardinale began his comedy career at the world famous Comedy Store in Hollywood, CA, where he was spotted by the owner, Mitzi Shore, and given weekly spots on her line-up alongside comedians such as: Carlos Mencia, Chris Rock, Joe Rogan, to name a few, as well as a nationwide tour with Pauly Shore.

In his stand-up act, he observes a lot of absurdities in life and talks quite a bit about his family. Johnny also brings his guitar with him to poke fun at the music industry as he can sound like seemingly any musical artist. Often compared to Adam Sandler and Jimmy Fallon, Johnny's act is clean and upbeat. Check Johnny out at

## Tidbits

By Bill Lanier

With her 13 rebounds in Thursday night's game against Rocky Mountain College, Stacie Barker has broken yet another Skylight basketball record.

The previous single season record of 332 rebounds was set 25 years ago, by former Skylight great and Northern Alumni Athletic Hall of Famer, Barb Filipowicz VanderMars, back in the 1983-84 season. This record was the second longest standing Skylight records on the books. Stacie currently has 343 rebounds with one more conference game to go.
