MSU-Northern Hosts 46th Annual SkillsUSA Competition

MSU-Northern was proud to host the 2017 SkillsUSA Montana State Leadership and Skills Conference. The event began on Monday morning April 3 and concluded with an awards ceremony on Wednesday the 5th. During that time, 325 students came from 35 Montana high schools and 2 colleges to participate in 36 different competitions.

This Past Week

Scholarship Awards Day Celebration

This year's awards ceremony was a well-attended event full of thanks and appreciation. There were 256 scholarships that were given to 188 people. The total amount given in scholarships was \$204,670.

Student Excellence Award Winners

The Student Excellence Awards were given out during last Friday's Awards Day Celebration. The Student Excellence Award is the highest honor that a student can receive at MSU-Northern. To receive the award, the students must demonstrate a commitment to educational goals through academic achievement and participation in extracurricular activities. Here are this year's Student Excellence Winners (left to right) Courtney Cota, Thomas A. Cooper, Natalee Faupel, Genasee Bass, Jaime Toscano, Gabriel A. Benavidez, Jessica Hoel, Tayla Snapp, Joshua Gomez, Brandy Tannahill, Chelsea N. Mavencamp,

Golden N Awards

The Golden "N" recipients this year were Will Taylor, Tom Welch, and Jeremy Hofman. The award is given every year by Student Senate. The winners are selected by students based on the helpfulness and overall readiness to assist students and help them achieve. The Golden "N" Award is the most prestigious award an MSU-Northern faculty or staff member can receive. Congratulations Will, Tom, and Jeremy, you make Northern proud!

Autism Awareness Campaign

"Light It Up Blue" is a campaign conducted to raise awareness about autism, and to increase support and acceptance for people with autism. The Northern Ambassadors participated in Light It Up Blue by putting fifty blue and white balloons around campus with facts about autism attached to them.

April is World Autism Month. Autism, or autism spectrum disorder, refers to a range of conditions characterized by challenges with social skills, repetitive behaviors, speech and nonverbal communication, as well as by unique strengths and differences. We now know that there is not one autism but many types, caused by different combinations of genetic and environmental influences. The term "spectrum" reflects the wide variation in challenges and strengths possessed by each person with autism.

Healthy Lifestyle Advocates Participate in NASPA Conference

On March 31 and April 1, six members of MSUN's Healthy Lifestyle Advocates (HLA) participated in the Region V NASPA conference in Billings. National Association of Student Personnel Administrators (NASPA) is a national organization for student affairs professionals. Students and advisors from several campuses in Montana were there to listen to the MSU-N presentation about Project SPITT (Supporting Peers' Interest in Tobacco Termination). The HLA members presented their experiences and preliminary findings of the novel program they introduced on campus this semester.

The Northern HLA students involved in project SPITT received Peer Educator training and certification, recruited students interested in quitting tobacco, and spent the rest of the semester supporting those students in weekly meetings. Congratulations to Nealey Thompson, Courtney Cota, Gabriel Benavidez, Madelyn Drake, McKenna Barkus, and Nickie Detomasi (pictured left to right). Great presentation!

Northern Hosts Their First Annual International Poetry Reading Night

Montana State University-Northern hosted an international poetry reading night, "Voices of the Hi-Line" Tuesday evening. A number of community members, students, faculty and staff presented in languages other than modern English. Presenters spoke in eighteen languages, including French, Spanish, Old English, Malayalam, Aaniinen, Assinboine, Filipino and Mandarin. We were pleased to include presentations of published works from renowned authors as well as personal poetry from Minerva Allen and Lenore Stiffarm. In the words of one student in attendance "Even though I could not understand what the presenters were saying, just listening to the rhythm of the poetry itself was quite amazing. Also, seeing and hearing the different languages we have in our community was a very cool experience." Thank you all for your support.

Forty-First Annual Sweetgrass Society Powwow

The Sweetgrass Society hosted the 41st Annual Powwow last weekend in the MSUN Armory Gymnasium. Each year, the Powwow brings hundreds of Powwow participants to the Hi-Line from places throughout the United States and Canada. The Sweetgrass Society would like to thank all of the businesses, individuals and tribes who donated in order to make the annual Powwow possible.

All-Sports Banquet Says Thank You

Northern hosted their fourth annual All-Sports banquet! The All-Sports Banquet provided an opportunity for all the Northern family to say thank you to the student-athletes for all the hard work and dedication they give MSU-Northern, and also to say thank you to the senior student athletes who will be moving on to enter the workforce and begin new chapters of their lives. Many of these seniors have been with Northern for 4 or 5 years and have strived for excellence in both their studies and their performance in their sports events.

Diesel Advisory Board

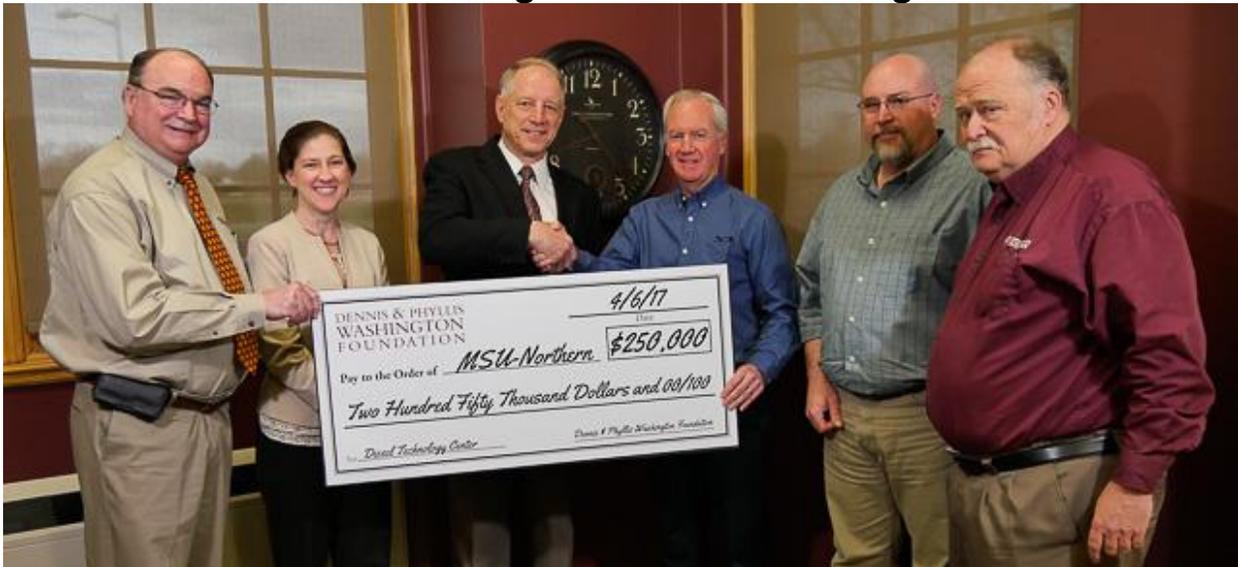

Wednesday afternoon Northern held a diesel advisory meeting. The diesel advisory board consists of a number of leaders in the agriculture, construction and mining industries that seek to hire graduates from the MSUN program. These members include mid to high-level executives from major companies in the region, state and the Pacific Northwest.

The Diesel Advisory Board was established to provide guidance, recommendations and support for improvement to the Diesel Technology program. The board meets twice annually, once in the fall and once in the spring.

During the meeting, the board was brought up to date on information from the legislative session, status of recruitment, retention, and graduation statistics and plans as well as other activities the board is assisting the program on. A significant discussion took place regarding creating a culture of safety on campus to reflect the current standards used in industry.

MSUN Fulfills \$250K Matching Grant From Washington Foundation

Montana State University-Northern received a symbolic check for \$250,000 from The Dennis and Phyllis Washington Foundation to help build the new Diesel Technology Center. This donation is the fulfillment of a matching grant issued by the Dennis & Phyllis Washington Foundation, in conjunction with Modern Machinery (a Washington Company). The challenge grant matched all new donations toward MSU-Northern's new the Diesel Technology Center project up to \$250,000. This grant is in addition to the \$1 million investment the Washington Foundation has already made to the project.

"We are very pleased to announce that we have raised the funds to fulfill this challenge grant. The matching funds came from a variety of donors, including cash gifts, pledged funds, and in-kind donations," said Jim Bennett, Executive Director of the Northern Alumni Foundation.

"We are very thankful for all the support that we have received for this project," explained Greg Kegel Chancellor of MSU-Northern. "It was great to be able to say to donors that because of this match their \$10,000 gift would become \$20,000," said Kegel.

Recognized Classifieds

By Debra Bradley and Jennifer Anderson

Karen Terrell - Financial Aid Specialist is the next "Recognize the Classified"! Cindy Small the Financial Aid Director, says that Karen loves working with students and parents when they come in to the office.

She is a great asset to Financial Aid office and also to MSU-Northern. Little hidden gems about Karen are that she likes to be outdoors, working in her flower garden which always look great. She has two daughters that live in Minnesota. One has a hobby farm with alpacas and llamas the other daughter is a professor at one of the University within the state.

Karen has one grandson named Benjamin. She loves animals especially her dog Twig and her adopted dog Zeus.

Dinner Theatre Comes to the Hi-Line

Montana Actor's Theatre is pleased to bring dinner theatre back to the Hi-Line! MAT will present the show at the Beaver Creek Golf Course for two weeks, and then travel the show to the Chinook Eagles Club. The show, entitled *Black Comedy*, is a situational comedy of errors. Sculptor Brindsley Miller has "borrowed" furniture and art from the absent antique collector next door, hoping to impress his fiancée's pompous father and a wealthy art collector. Then a fuse blows, the father arrives, the fussy neighbor returns, and the fun begins! Unexpected guests, aging spinsters, errant phone cords and other snares impede his frantic attempts to return the purloined items before light is restored. Come enjoy a great dinner and a fun and lively farce!

April 7-8 and 13-15 - Beaver Creek Golf Course, Havre
April 22-23 - Eagles Club, Chinook

Doors and no host bar open at 6 p.m.
Tickets: \$30 includes dinner and show
\$200 table of 8 if purchased in advance
Tickets are available online at mtactors.com

Artist of the Month

Her First Ride, Let Her Fly, Spirit, and Northern Rodeo Team

By Justin Goggles

To conclude the artist of the month series for this semester, the guest artist for April is Justin Goggles. Goggles is presenting a pencil collage including the pieces (clockwise) *Her First Ride*, *Let Her Fly*, *Spirit*, and *Northern Rodeo Team*. Goggles says he only paints as a hobby, "it is a very relaxing activity." In short he says, "all my grandchildren inspire me." One of his preferred themes are animals, primarily horses perhaps because he was raised on a ranch on the Wind River Reservation in Wymond, WY (he is from the Northern Arapaho nation). Goggles is also a US Army military veteran having served several years; he is also a former police officer in Browning, MT.

As far as the collage pieces, Her First Ride was inspired thanks to his granddaughter Aiyanna. Northern Rodeo Team, is about MSUN Rodeo Team. Goggles has a special place in his heart for Northern since his wife is a Northern student in the Civil Engineering program. Additionally, he participated in rodeo for several years.

Goggles has been drawing all his life, since grade school. He adds, "it is just a matter of grabbing a scrap book." He has been the artist of a couple of murals in Browning, MT, (where he resided for a few years). One of his murals was at the elementary school, and the other one in the middle school. As for the mural at the elementary school, in 1985, he was a teaching assistant. The mural was part of a project on teaching children how to draw. It was on exhibition for a few years although no longer due to repairs as time went by. It was about a Napi golden eagle representing the school. As for his work at the middle school, about ten years later (around 1995), Goggles drew a logo representing the singers/drum group of the Buffalo Stone Society. To this date, it is still proudly on display at the school gym.

The MSUN Office of Diversity Awareness and Multicultural Programs (ODAMP) invites local and regional artists to exhibit their pieces, preferably those that have some link to multicultural themes. For more information, contact mcc@msun.edu or call (406) 265-3589.

Important Announcements

No Classes next Friday (April 14) for University Day
Offices will remain open

Attention Spring Graduates!

TidBit

By Bill Lanier

This week I want to feature Northern Alumni, Mrs. Sheila Green Gerding. In February, after 22 years as the Women's Head Basketball Coach at Minot State University, Sheila stepped down from her position. Her teams had a combined record of 360 wins and 283 losses. Sheila coached 11 All-Americans during her 22 years. When Sheila began her tenure at Minot State University, their athletic department was a member of the NAIA and since that time they have moved up to NCAA Division II. Earlier this year Skylight, Natalee Faupel, broke Sheila's Skylight career scoring mark. In 2003, Sheila Green Gerding was inducted into the Northern Athletic Hall of Fame. Congratulations on an outstanding coaching career Sheila, you make Northern proud!

Montana State University - Northern, P.O. Box 7751, Havre, MT 59501
