Western Undergraduate Exchange (WUE) is a program through which students in participating states may enroll in designated two-year and four-year institutions in other participating states at a special, reduced tuition level.

Students from the participating states may enroll at Montana State University – Northern and pay resident tuition plus approximately fifty percent of that amount. Subsequently, the cost to WUE students is substantially less than non-resident tuition. Students need not demonstrate financial need to receive the WUE tuition benefit.

WUE scholarships will be awarded to those students who are fully accepted for admission, on a first-come, first-serve basis, until institutional allowances are met.

Requirements for maintaining your WUE status at MSU-Northern are the following:

- Continuous enrollment during Fall and Spring semesters at MSU-Northern
- Maintenance of a 2.5 grade point average
- Enrollment and completion of at least 15 credits per semester
- Maintain permanent residency of qualifying state

Duration of the WUE Scholarship is four years or until completion of 120 credits, whichever comes first. A student may not become a Montana resident for fee purposes while attending MSU-Northern as a WUE student.

The WUE scholarship cannot be used in conjunction with any other tuition waivers at MSU-Northern.

How To Apply. Submit the WUE Scholarship Application after you have completed the application for Admission. A WUE award letter will be generated that will require your agreement to the requirements listed above. Upon receipt of the signature page, Admissions will update your residency status.
