### Profile

---

- Leadership – Classroom leader and mentor to criminal justice students. Actively support students in discussions on diverse issues that are affecting the criminal justice system. Advise students in their educational journey and career goals. Provide classroom experiences that the student can use to decide on a career path and when making future decisions by using a FATS machine, crime scene simulation, forensic simulation, courtroom simulation, and a jail cell simulation throughout the semesters as each relates to current studies.
- Customer service oriented – Meet with students and families during registration and recruiting opportunities. Meet with faculty and staff at meetings. Meet the needs of the campus by managing the Student Safety Patrol program.

- Budgeting – Using fees attached to a course maintain criminal justice equipment and purchase supplies. Maintain a running budget for present and future expenditures.
